Dear Cindy,

Victoriaworks for parents returning to work Program

Thank you for returning documentation regarding the Victoriaworks for parents returning to work program. Your registration process is now finalised and I am returning one counter-signed copy of the Provider Agreement form for your records. For administrative purposes the program registration number for your institution is P 21396.

As a provider under this program, you will need to ensure you and your staff members are familiar with the processes and procedures as described in the Provider Guidelines. For any enquiries in regard to the administration of the website please contact us on the provider hotline on 1300 303 413

Also, as a provider of this program details about your institution, including the contact name and telephone number will be made available to potential applicants via the program's website.

We look forward to working with you to enable very positive outcomes for the parents you are assisting in their goal of returning to the work force.

Yours sincerely,
